Your Petitioner reports that on May 10, 2006, the Court signed a Petition on Supervised Release, which issued a bench warrant for the arrest of the defendant for various technical violations of supervision. The Probation Office was recently informed that the defendant is at Western Psychiatric Institute in Pittsburgh, Pennsylvania. Arrangements are being made for transitional living and continued care. Therefore, the Probation Office recommends that the bench warrant be vacated and the defendant be allowed to continue under supervision. It is further recommended that the time between when the bench warrant was issued until the vacating of the warrant not be tolled.
